Founded in 1950

October 2016

South Coast Orchid Society
*****Annual Auction*****
Auction Starts at 6:30 p.m.
Plant Viewing starts at 6:00 p.m.
Monday, October 24, 2016

We have run through another year, and it is time again for our annual auction. As before, we have collected plants from vendors all over Southern California, and from select vendors in the United States, and around the world. You will be able to bid on blooming plants, species, hybrids, and orchid supplies. Doug Overstreet has agreed to be our auctioneer. Doug is an enthusiastic and knowledgeable orchid grower, AOS Judge, and orchid specialist of the Thornton Conservatory for The Huntington.

We are urging members to invite friends, neighbors, and anyone they know, who might have an interest in orchids. Contact Janell (562-431-5090) for flyers and help advertise for the auction.

Plant donations from members are welcomed; be sure to arrive early in order to have your plants labeled and entered in the auction data base.

Credit cards accepted. Refreshments will be served. The doors open at 5:00 p.m., to allow time to set up the chairs and tables and arrange the plants, so that plant viewing can start at 6:00 p.m. We will start the auction at 6:30 p.m. Everything is there to be sold. Come early to view the offerings, and make a list of those you want to add to your collection.

Refreshments

SCOS will provide refreshments.

President's Message

Help us light up the night at the auction, our most important event of the year. We need all our members to support the auction with your attendance along with inviting friends, neighbors, fellow workers and family. Additionally if you have any plant donations, preferably flowering plants, bring them the night of the auction and we will help you log them in. We have the facility from 5:00 pm until 10:00 pm, so we would appreciate if you can come early to help us set up the hall for the auction. See everyone on auction night.

I would like to thank Fred Clark for his excellent presentation at our September meeting. It was one first times he has given the presentation. Thanks to everyone who comes and supports our society.

John Reyes
