# South Coast Orchid Society

Newsletter

Founded in 1950

September 2016

## **Modern Cattleya Breeding** by **Fred Clarke** Program Starts at 7:00 p.m. Monday, September 26, 2016

Fred Clarke has been growing orchids for since 1977 and has been hybridizing for 35 of those years. With over 33 years as a professional grower and manager in the horticultural industry, Fred applies these skills at his orchid nursery; Sunset Valley Orchids, located in San Diego, California.

He is a passionate orchid grower whose curiosity in orchids is broad and varied. Although developing Cattleya hybrids has been his sustaining interest, he is also actively creating new Catasetinae, Paphiopedilum and Australian Dendrobium hybrids.

His pioneering work in Catasetum intergeneric breeding has led to the development of many notable hybrids, most recently the grex, Fredclarkeara After Dark, which produced "the **blackest** flower ever witnessed". The hybrid genus Fredclarkeara has received an amazing number of awards with a total of 17 FCC's and 42 AM's worldwide.

Fred is an internationally acclaimed speaker and travels extensively within USA, Canada, Mexico, Australia, New Zealand and South America. He is an accredited American Orchid Society Judge in the Pacific South region. His plants have received hundreds of quality awards from the American Orchid Society.

### **Refreshments**

Last names starting with **I through Q** please bring refreshments.

## President's Message

The annual auction is fast approaching and we need everyone's help to get it organized. If you would like to help in any way please talk to one of the officers or board members and let us know of your interest. It takes a lot of dedication to pull off the auction which helps to fund our room rental, speakers, plant tables, and our Christmas party. So please consider helping in some way. If you have any extra boxes or bags that can be used on the night of the auction, please save them for us. Also if you have any flowering plant divisions that you would like to donate for the auction, we would be very glad to receive them. We will discuss the auction further at our upcoming September meeting.

Last month Wayne Wolfe spoke about bonsai as companions to orchids. It's great that Janell gets speakers that give us diverse growing topics so that we can supplement our orchid collections with different growing styles and techniques. Thanks to everyone who came and hope to see a large turn out at our September 26 meeting.

Last but not least, thanks to all our members who bring their flowering orchids in for display. It brightens up our meeting room.

I would like to offer my condolences to Bonnie and her family with the passing of Roger Kroll. Before he became ill, Roger took photographs of plants on the plant table that Russ included in our newsletter. Roger was not only a great SCOS member but was very involved in the community through different charitable organizations. We will miss him.

John Reyes

### South Coast Orchid Society

Ribbon Judging Results

August 22, 2016

#### **Cattleya (Laeliinae Subtribe)**

First	Prosthechea	Agnes Nguyen
First	Prosthechea radiata	Roberta Fox
Second	Cattleya Unknown	Fely Fernandez
Second	Lc. Miss Wonderful	Agnes Nguyen
Third	Cattleya Loddegesii coerulea	Roberta Fox
Third	Potinara Dick Smith	Agnes Nguyen
Culture	Prosthechea	Agnes Nguyen

#### **Paph & Phrag (Cyprpedioideae Subfamily)**

First	Paph. parishii	Lynn S. Wiand
Second	Paph. Eva Weigner	Lynn S. Wiand
Third	Paph. Armeni White	Roberta Fox
Culture	Paph. parishii	Lynn S. Wiand

#### **Dendrobium (Dendrobiinae Subtribe)**

First	Dendrobium amabile	Una Yeh
Second	Den. Green Wonder	Espie Quinn
Third	Den. glumeratum	Espie Quinn

#### **Pleurothallids (Pleurothallidinae Subtribe)**

First	Pleurothallis tribuloides	Lynn S. Wiand
-------	---------------------------	---------------

#### **Cymbidium (Cyrtopodiinae Subtribe)**

none submitted

#### **Aerangis Relatives (Aerangidinae, Aeridinae, Angraecinae Subtribes)**

none submitted

**Phalaenopsis, Vanda, and Doritis (Sarcanthinae Subtribe)**

First Vanda (Varakorn x merrillii)
